FOUR TAILORS

MINIMAL.ECLECTIC.ELEGANT.

Minimal. Eclectic. Elegant.  
These are the pieces you will find in this collection.

Minimal ~ A philosophy based on the core belief that by removing the clutter, life becomes lighter, easier with more space for inspiration and creativity

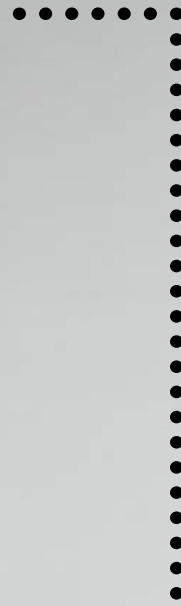

Eclectic ~ Clothes as a means of expressing uniqueness and eccentricity

Elegant ~ Be well-dressed every day, it is a beautiful form of politeness.

When there is black you can see the stars. When  
there is white you can see the rainbow.  
Combine the two colors and watch style happen.

Go through our collection over and over again.

Be creative and dare to combine our pieces any way you want. Our presentation is only one perspective among the endless ways the reality can be perceived.

We believe that good design is unobtrusive and we view minimalism as an art, the art of letting go.
