

Growing up in a loving family that carries a long tradition in the textile industry, Tania Papadopoulou cultivated a business spirit from a young age and unveiled her talent. With an open mind, she started working in the family business right after she finished her studies, where she specialized in Sales, Research & Development as well as creating clothing lines. During Greece's economic crisis she manages to work with her brother Theodore on 4Tailors, their very own clothing brand, proving that the future belongs to those who believe in their dreams.

HOTEL

The Senato Hotel in Milan. Minimal design, amazing combinations of fabrics and simple geometric lines, all elements that would perfectly describe 4Tailors' philosophy.

RESTAURANT

Gabriel Kreuther in NY which proves that aesthetics can be a part of anything: decoration, colours, food, people.

BEAUTY SECRET

Positive vibes. No habit and no make-up can make you shine like a bright smile does!

TRAVEL STYLE

Comfy, casual clothes like airy, striped chemisiers and loose pants from 4Tailors,

10 beautiful THINGS FROM TANIA PAPADOPOULOU

Every month, a person we love, shares with us all those things that make their life special.

a backpack and a cold cocktail on the plane.

SHOP

The magical Daunt Books bookshop in London. It is the perfect place to let loose and allow yourself to be taken over by art & inspiration.

BOOK

"The Art of Manipulating Fabric" by Colette Wolff. A book that taught me that fabric may be just an object, but clothes are a pure manifestation of creativity.

ARTIST

David Bowie. Innovative, unconventional, revolutionary and aesthetically unsatisfied. He managed to transform his unique artistic approach to life into fashion trends that defined it for years.

HOBBY

Being even more childish than children, when playing with my son, Nicolas!

APP

Brainsparker. Because art can inspire you anywhere in any way, even through your mobile.

LYRICS

A lyric by Seal that says "In a sky full of people, only some want to fly, isn't that crazy?". Isn't it really?
